The SENIORS of Brussels High School

Present

The BRONCO of '54

DONALD ALSTEEN

We, the senior class of 1954, with sincere pride, dedicate this issue of the "Bronco" to Donald Alsteen our capable and faithful janitor, who is known for his tireless efforts to please each and every one.

Mr. Alsteen has worked with and for us for the past six years. During this time a ready smile, his trade mark, has seemed to lighten our load. His work has not prevented him from donating much time for our class activities.

Our interest in school work was stimulated by the clean and neat appearance of our class rooms each morning.

Don was born in Green Bay on June 1, 1915, but has spent most of his life winning new friends in this area.

We wish to thank him for making our four years of high school pleasant.

Headaches, headaches, and more headaches, but oh what a reward--our annual memory book, the "Bronco" of '54!

After long hours of industrious endeavor by the annual staff, we are proud to offer you, our fellow schoolmates and friends, the "Bronco"--an account recording our scholastic, social, and athletic activities during the happy days spent at Brussels High School.

This year's "Bronco" was ably directed by Angela Stauber, our editor; Diane Bournoville, her assistant; and Miss Verhalen and Mr. David, our advisors.

The 1954 yearbook celebrates the eighth birthday of the "Bronco", and without the complete cooperation of our entire staff, it would have been impossible to bring you this fine souvenir.

Let us recall, with each glance at our annual, the pleasant memories of the years gone by.

One more year of high school is now history for our class of 46 juniors and we are looking forward to our fourth and final year at good old Brussels High School.

This past year was a memorable one for our class. Some of the highlights were the receiving of our class rings, the prom, and our Junior Class Play.

The following class officers were elected: Mary Ann Chaudoir, President; Donald Kerscher, Vice-President; Joe Boulanger, Secretary-Treasurer; and Gary Fontaine was our Student Council Representative. Mrs. Sweeney and Mr. Buth were our class advisors.

Talent was shown in many fields by members of our junior class. Two members of our class were in the cast of the one-act play, "The Fog", which advanced to the finals in the state dramatics contest. Many of our boys were members of the championship football team and are eagerly awaiting next season. We were also well represented in other sports.

Cleda Columb and her escort, Allen Alexander, represented us in the Carnival Court of Honor.

At the beginning of the second semester our class took over the publication of the "Nine Til Four" with Virginia Bouche serving as editor and Bonnie Neinas as assistant editor.

May our final year better adjust us for the future which lies ahead.

On September 1, 54 students returned to Brussels High School as sophomores. We are the largest class in high school this year. We all hope to remain a large class throughout our high school years.

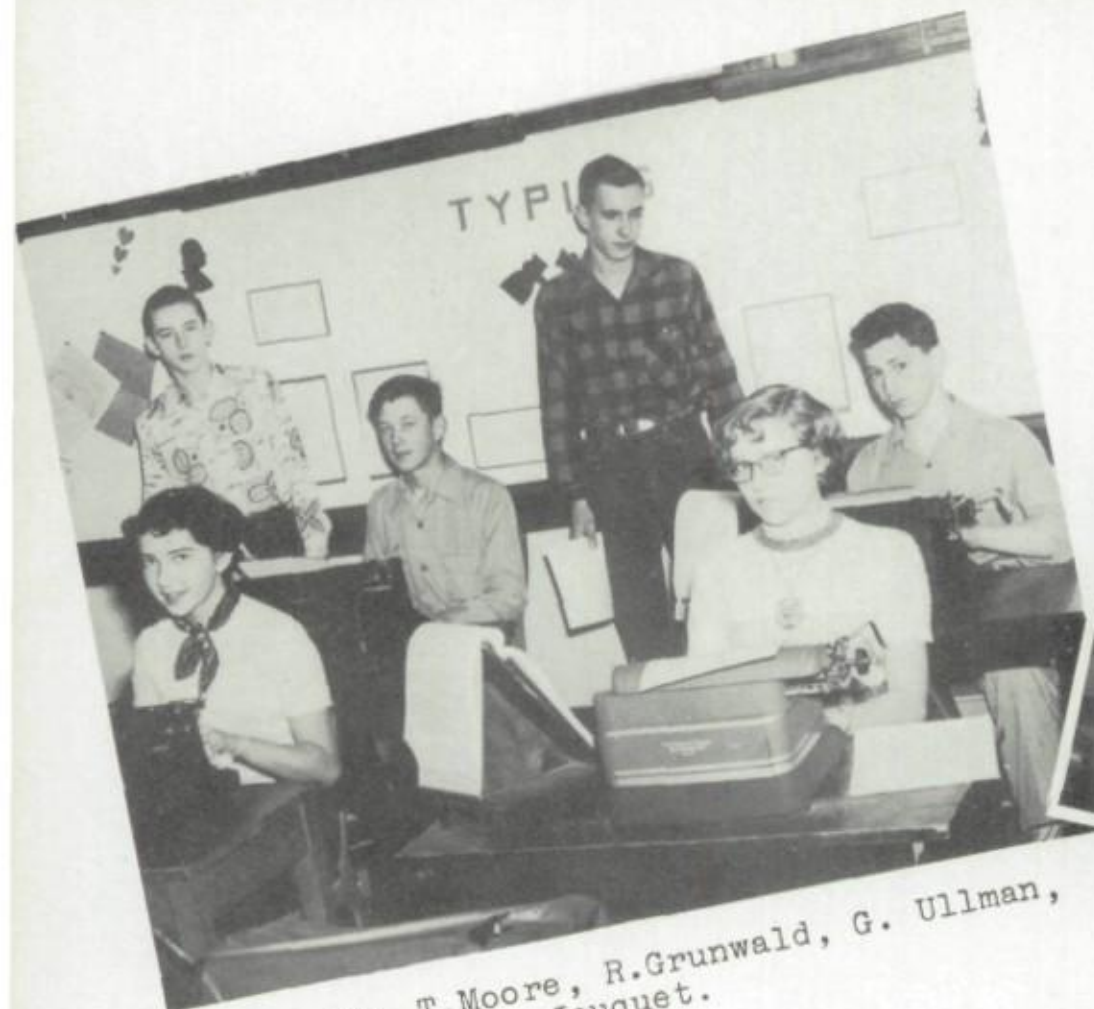

On October 2, we welcomed the freshmen into high school with an initiation party.

Many sophomores participated in extra-curricular activities such as one-act plays, class plays, Band, Chorus, Forensics, and Sports. This year's football team was made up of several boys from our class.

Our class officers are Robert Delorit, President; Donald Lardinois, Vice-President; Margaret Dier, Secretary; Bill Wagner, Treasurer; and Diane Neinas, Student Council Representative. Miss Verhalen and Mr. Vanderheyden serve as our class advisors.

Joanne Lampereur and Milton Rass represented the sophomores at the Carnival.

The school year of 1953-1954 is almost at an end now but it is our sincere hope that we all will return to Brussels next school term as Juniors.

Our Freshman class consists of 16 girls, outnumbered by 33 boys. Class officers were elected as follows: Ken Pavlik, President; Donna Mae Chaudoir, Vice-President; Gervase Neuville, Secretary; Lee Neuville, Treasurer; and Jean Gigot, Student Council Representative. The cheerleaders were also elected. Jean Gigot is the cheerleader for the "A" team; Sharon Carmody and Myra Renier are cheerleaders for the "B" team.

We got off to a good start and really got into the swing of things after the sophomores had their initiation party for us. During the day we dressed up according to strict orders. At night we did stunts on the stage. We then gave the Christmas party in return.

At first we were "Greenies", but with the help of our friendly upper classmen and patient, understanding teachers we have completed the year with joy and pride and we are fully satisfied when looking back.

"Stardust", the theme of the 1953 Junior Prom held May 2, was carried out by transforming the gym into an evening of enchantment. The twinkling stars danced lightly across the floor. The garden wall entrance was extended onto imitation grass. The garden effect was completed with a white picket fence, flowers, and lawn chairs.

Wally Beau and his orchestra furnished the music as the spotlights followed King Bob Rosinsky and Queen Pat Retzlaff in leading the grand march.

The court of honor included: Kenny Karnitz and Pat Alexander, Emery Vandenhouten and Diane Bournoville, Bob Tassoul and Jeanne Lampereur, Glenn Griep and Claudette Pierre.

The following chairmen were picked to assist our advisor Mr. McQuoid for: decorating, Joyce Kaye; tickets, Marilyn Willems; refreshments, Angela Stauber; and advertising, Bob Tassoul.

Brussels High School culminated the best football season in its history by tying for the Peninsula Conference Championship with a 4-1 record. The peak of the season was reached in a 20-7 victory over a fine Luxemburg team. The overall season record showed six victories and one defeat.

The success of the team was due largely to the hard work of the entire squad. Each man did his job to the best of his ability and the result was success. To the four seniors, we give our congratulations for a job well done. To the rest, we say look to the future and more success which will follow only if hard work and the desire to win remain a part of an athletic philosophy.
